FOR IMMEDIATE RELEASE

PAVSC Adds QSC As Latest Founding Level Partner

The Professional Audio Visual Society of Canada (PAVSC) is excited to welcome QSC as a Founding Level Partner, further strengthening the society's mission to elevate Canada's AV professionals and foster a connected, future-focused industry.

Headquartered in Costa Mesa, CA, QSC is a globally recognized leader in professional audio, video, and control solutions. Best known for its high-performance loudspeakers, amplifiers, and the Q-Sys platform, QSC has built its reputation on innovation, reliability, and a commitment to helping partners and end users create impactful experiences.

"At QSC, we believe in empowering AV professionals with the tools, knowledge, and community support they need to succeed," comments Mark Pellegrino, Canadian National Sales Manager, QSC. "Joining PAVSC as a Founding Level Partner reflects our shared vision for professional development, mentorship, and inclusivity across Canada's AV sector. By supporting PAVSC's various initiatives, we aim to help prepare the next generation of AV leaders who will continue to drive innovation and elevate the industry."

"QSC's alignment with our vision for Canada's AV community is exciting and inspiring," adds Greg Rushton, Chair of the Board of Directors, PAVSC. "Their leadership and proven track record of innovation will help amplify the reach of our programming and strengthen our ability to connect with AV professionals nationwide. We are delighted to welcome them as a Founding Level Partner and look forward to fostering new opportunities together."

PAVSC welcomes all AV professionals across Canada who share a commitment to industry excellence, inclusion, and innovation to join its ranks.
