Techni+Contact Joins PAVSC as Supporting Level Partner

PAVSC is proud to welcome Techni+Contact as a Supporting Level Partner, joining a growing network of organizations committed to advancing Canada's audio visual industry. With over 45 years of experience in AV distribution and integration, Techni+Contact brings deep expertise and regional presence across Canada—adding valuable perspective to PAVSC's coast-to-coast community.

"We're excited to align with PAVSC and contribute to a national effort that recognizes and uplifts AV professionals," said Julie Legault, Présidente | President of Techni+Contact. "As a Supporting Level Partner, we see this as an opportunity to connect, collaborate, and help shape a more unified and inclusive future for our industry."

Techni+Contact's partnership includes bundled memberships for their team and access to PAVSC's national job board, allowing them to stay engaged with AV professionals and freelancers across the country. Their commitment reflects a shared belief in the importance of community, education, and professional standards.

"Techni+Contact's decision to join PAVSC at this early stage speaks volumes," said Gregory Rushton, Chair of PAVSC. "They're not just investing in their team—they're investing in the future of AV in Canada. We're grateful to have them on board and look forward to the impact we'll make together."
