Strong MDI Screens Joins PAVSC as Official Partner

Strong MDI Screens, a leading Canadian manufacturer of high-performance projection screens, has announced its partnership with the Professional Audio Visual Society of Canada (PAVSC), a national organization dedicated to supporting Canada's AV professionals and promoting excellence across the industry.

With a legacy of precision engineering and custom solutions, Strong MDI Screens has been in business since 1968 and manufacturing screens for 45 years. They bring unmatched expertise in display technology to PAVSC's growing community. This partnership reinforces the company's commitment to innovation, education, and collaboration—values that sit at the heart of PAVSC's mission.

Through this alliance, Strong MDI will contribute to professional development initiatives, support access to training tools, and help raise awareness of Canadian AV manufacturing on the national and global stage.

"As a proudly Canadian manufacturer, we're excited to join PAVSC and help empower AV professionals from coast to coast," said François Barette, President of Strong/MDI Screens. "We believe in supporting the growth of our industry through shared knowledge, education, and accessible technology."

PAVSC continues to welcome integrators, consultants, manufacturers, distributors, and AV professionals who share a vision for a connected, inclusive, and thriving industry in Canada.
