### **Sharp Supports PAVSC as Impact Level Partner**

The Professional Audio Visual Society of Canada (PAVSC) is pleased to welcome Sharp as its latest Impact Level Partner, reinforcing the society's mission to elevate the national audiovisual industry through education, community, and collaboration.

"We are proud to support PAVSC's work in advancing professional development and connecting Canada's AV community," says Milenko Cepo, Senior Director of Sales, Sharp Electronics of Canada Ltd. "Sharp has always believed in the value of strong relationships and continued learning, and we see this partnership as an opportunity to help foster the next generation of AV professionals while strengthening the present network of expertise across the country."

Sharp is recognized worldwide for delivering reliable display and projection solutions across a wide range of environments and market verticals. With a focus on innovation, sustainability, and customer partnership, the company provides tools that enable AV professionals to design and deliver impactful visual experiences.

"Having an esteemed global brand like Sharp join us as an Impact Level Partner reflects the broad industry support for our mission," says Greg Rushton, Chair of the Board of Directors, PAVSC. "Their reputation for quality and their collaborative approach to business align strongly with our values. We are excited to work together to expand opportunities for Canadian AV professionals and organizations alike."

PAVSC continues to welcome integrators, consultants, manufacturers, distributors, and AV professionals who share a commitment to industry excellence, inclusion, and innovation.
