FOR IMMEDIATE RELEASE

Interactive Audio Visual Joins PAVSC as Impact Level Partner

The Professional Audio Visual Society of Canada (PAVSC) is pleased to welcome Interactive Audio Visual (IAV) as an Impact Level Partner, expanding the network of organizations committed to strengthening and uniting Canada's AV industry.

Based in Ottawa, Interactive Audio Visual delivers turnkey sales, design, service, and integration of professional AV solutions across conferencing, digital signage, command and control, and network streaming applications. Known for their collaborative approach, IAV helps clients maximize the value of their technology through managed services, training, and user adoption.

"PAVSC's commitment to elevating the next generation of AV professionals resonates strongly with our values," says Ian Smith, President of Interactive Audio Visual. "By equipping emerging talent with training and opportunities, we not only prepare them to succeed individually, but also expand the reach and impact of Canada's AV industry as a whole."

PAVSC continues to welcome integrators, consultants, manufacturers, distributors, and AV professionals who share a commitment to industry excellence, inclusion, and innovation.

"Interactive Audio Visual's collaborative spirit adds great value to our community," adds Gregory Rushton, Chair of the Board of Directors, PAVSC. "They have consistently contributed to the wider conversation that moves our sector forward by sharing ideas and engaging actively within the community. We are proud to welcome them as an Impact Partner."
