Solotech Joins PAVSC as Founding Level Partner

Solotech, a global leader in audiovisual technology solutions, has formally joined the Professional Audio Visual Society of Canada (PAVSC) as a Founding Level Partner, reinforcing the Society's mission to enhance education, networking, and strengthen the Canadian AV industry.

"At Solotech, we are dedicated to advancing education and fostering connections within the audiovisual industry," says Alexandre Pecqueux, President, Sales and Systems Integration Canada, Solotech. "Becoming a Founding Partner of PAVSC aligns with our commitment to supporting initiatives that empower professionals and fortify the Canadian AV landscape."

Headquartered in Montreal and counting nearly 1,000 employees across offices in Calgary, Toronto, Ottawa, Montreal, Quebec, and Halifax, Solotech is a Canadian leader renowned for its expertise in live productions, systems integration, and event solutions. Solotech's partnership with PAVSC will focus on building a strong community and supporting the development of the Canadian AV industry.

"We are excited to welcome Solotech as a Founding Partner," shares Greg Rushton, Chair of the Board, PAVSC. "Their leadership and commitment to excellence will significantly enhance our ability to deliver impactful initiatives that connect and elevate the AV industry in Canada."

PAVSC invites individuals and organizations from all sectors of Canadian AV to join as members or partners and contribute to shaping the future of the industry.
