PAVSC Welcomes Adamson as Latest Founding Level Partner

The Professional Audio Visual Society of Canada (PAVSC) is delighted to welcome Adamson as a Founding Level Partner, reinforcing the Port Perry, Ontario based manufacturer's commitment to supporting the national AV sector.

"As a proud Canadian manufacturer, Adamson is honored to support an organization focused on strengthening our industry and workforce right here at home," says Tasia Richards, Marketing Specialist, Adamson.

Adamson has earned global acclaim for designing and manufacturing professional loudspeaker systems and related technologies, supplying premium solutions to events and venues worldwide while maintaining operations in Canada.

"Adamson's Canadian identity and commitment to world-class manufacturing embodies the spirit of PAVSC," shares Gregory Rushton, Chair of the Board of Directors, PAVSC. "By partnering with domestic innovators like Adamson, we create more opportunities for Canadian companies to shine on the global stage and pave the way for a stronger, more self-reliant AV industry."

PAVSC invites integrators, consultants, manufacturers, distributors, and AV professionals who share its commitment to industry excellence, inclusion, and innovation to join its ranks.
